

Assured Environmental Services Limited
Health & Safety at Work Policy Statement

Objectives

Assured Environmental Services has a legal responsibility to maintain a safe working environment by adhering to the points set out below and by noting Health & Safety policy statements relevant to wherever work is being carried out.

- To maintain all plant and equipment in a safe manner.
- To wear appropriate PPE for work being carried out as required by statute and good practice.
- To ensure that emergency aid training is kept up to date by maintaining a current Emergency Aid Certificate issued by a recognised organisation.
- To maintain a contractor's passport to safety certificate.
- To follow safe operating practices and procedures including:
 - 1) Being continually aware of environmental changes occurring (especially with regard to fly control of LFS).
 - 2) Using all pesticides and other substances as per manufacturers recommendations.
 - 3) Providing risk assessments and method statements on request.
 - 4) Being aware of other site users.
 - 5) Ensuring that any special instructions are notified to the person concerned via the Treatment Report Sheet and left on site after each treatment.

I confirm that I am aware of the Health & Safety work act and COSHH Risk Assessment regulations and that I carry out safe working practices in order to maintain a safe working environment and comply with the law.
